PROFILE

I am a Computer Science student passionate about technology and innovation. I have a strong understanding of programming languages like C, C++, Python, Java, and HTML, and I'm always learning more. In addition to my studies, I've built a successful career in e-commerce, especially with Amazon dropshipping. I specialize in listing optimization, product sourcing, and managing Seller Central operations. I'm eager to use my technical skills and e-commerce experience to explore new opportunities.

WORK EXPERIENCE

- Amazon Fbm Dropshipping** 29/01/2024 - PRESENT
- Account Manger in Ecomwhizz
- Managed Amazon dropshipping operations, focusing on eco-friendly products.
 - Handled Seller Central tasks, including inventory management.
 - Optimized product listings and applied strategies to increase sale.
 - Product hunting - Finding trending products.

SEO (Search Engine Optimization)

- Off-Page SEO AUG 2023 - NOV 2023
- Built high-quality backlinks
 - Conducted link-building campaigns to improve website authority and rankings.
 - Engaged in content marketing strategies, including guest posting and article
